# Lost Vigor Restored

We treat MEN only and our experience in the past assures our patients straightforward and satisfactory treatment for the future. Many a MAN has straightforward and satisfactory treatment for the future. Many a MAN has lost his grip through brooding over his condition because he imagines he cannot be cured. To such we say investigate our methods of treatment and place yourself under our care and your weakness will disappear and confidence will be restored for the future. Our treatment has proved to be the best yet devised for restoring LOST VIGOR and that physical and mental incapacity which has made a wreck of so many. Our treatment for NER-VOUS DEBILITY does not stimulate temporarily but permanently. It stops every drain of VIGOR and builds up the muscular and nervous system—revives the spirits—brightens the intellect and above all restores the WASTED POWERS. Sometimes organic weakness and LOSS OF VITALITY arises from VARICOCELE and STRICTURE in such case we have to get rid of the cause before we can obtain good effects. Too often these causes are overlooked and so in spite of any and every treatment the case does not progress and the patient often goes into physical and mental decline through want of success in curing his LOST VIGOR.

We take no cases we cannot benefit or cure so you run no risks.
